

Perry Park Masterplan - Program

The overall Perry Park project is organized into the following components:

Proposed Projects - A-H
 Ongoing Projects - I-O
 Past projects -P

Projects list:

- A Upper Perry Art Park - Hunington sculpture & path
- A-1-3 Upper Perry Art Park -
 Proposed future sculpture locations (general areas noted)
- B Oak Retreat - seating area with benches beneath oak trees.
- C Nature Trail - Trail connects upper Perry to the Park below
 Ongoing restoration and extension of trail, with fire mitigation
- D Social Circle - located in the clearing beneath large oaks, this project will recreate a former learning circle with long-lasting materials; a legacy project of Girl Scout Troop 1510.
- E Fitness Stations- Located at the edge of the track & the tree canopy, in two locations (PARD Approved), this is an APF-grant &HPWBANA-funded project.
- F Lower Quarry fence - to protect the small grove of trees behind the soccer backstop at the Western edge of the quarry; this will be an Eagle Scout project.
- G Entrance Oak dripline borders - Perry Park entrance Oak trees (2) to have stone edging at their dripline to hold mulch at their base.
- H Perry entrance fence - To better define the edge between the parking lot and Park entrance. The existing stones may be relocated & reused in the Social Circle, and more uniform stones or wood rail fence may be used at this location.
- I Stone path from stairs to tennis court-completed Eagle Scout project.
- J Stairs from commercial parking to school parking. Completed Eagle Scout project.
- K Dino Pit-Eagle Scout project, requires some ongoing maintenance.
- L Goalposts at soccer fields - have been painted by FOPP and require some ongoing maintenance.
- M Tennis court bench shelters (2) - completed project.
- N Running track - requires ongoing maintenance; FOPP, HWBANA, Highland Park PTA fund decomposed granite where erosion occurs, PARD provides heavy equipment and crews.
- O Heritage Oak - regular mulching within the dripline of the large oak at the edge of the quarry with mulch provided by HWBANA, volunteer labor.
- P Benches (3) along track
